

CT-X700

Sound your best... For less!

Wherever you are on your musical journey, and no matter your budget, you don't have to compromise on sound quality. Meet the CT-X700, the new standard for value in portable keyboards. Its modest price makes it the right choice for casual or beginning players, and its stunning sound makes it a must-have for keyboardists of any level who need a portable instrument. What truly sets the CT-X700 apart from other portable keyboards is its heart: The powerful AiX Sound Source. This technology makes the CT-X700 sound like a keyboard costing hundreds, if not thousands of dollars more.
