

LK-280

Powerful Recording Features

The LK-280 offers 61 lighted keys and Casio's Step Up Lesson System to assist the user so they can learn to play music and gain experience. The built-in 5 Track / 6 Song recorder makes it easy to save music on the keyboard or to an external SD card.

Hand and Finger Position

The easy to read LCD shows proper hand and finger position on the keys, as well as music notation.

Make Learning Fun

The LK-280 has lighted keys and Casio's Step up Lesson System to help beginners learn to play piano and discover the world of music.

Get Connected

Stereo Aux Input

The LK-280 features an Aux input for connecting your MP3 player or other devices allowing you to enjoy the stereo speaker system in multiple ways. In addition, the LK-280 USB MIDI port is ready for computers and even iOS devices without the need for drivers. Of course there is also a headphone connector for quiet practice.

Power...Included!

Not only is the LK-280 a powerful keyboard but unlike other companies, Casio includes the AC adapter with all full sized keyboards so you can start making music right away.
