## DIGITAL PIANOS

### PX-160

- Multi-dimensional AiR Sound Source
  - New 4 Layer Stereo Grand Piano Samples
  - Hammer Response
  - Damper Simulation
- Tri-Sensor Scaled Hammer Action with Ebony and Ivory Keys
- 18 New, Enhanced Tones with Split / Layer capability
- 128 note polyphony
- 1 Song, 2 Track Recorder
- Duet Mode
- Class Compliant USB MIDI
- 2 1/4" headphone outputs
- 1/4" L & R outputs
- Optional CS67 stand
- Optional SP33 Pedals

### PX-350

- Multi-dimensional AiR Sound Source
  - New 4 Layer Stereo Grand Piano Samples
  - Hammer Response
  - Damper Simulation
- Tri-Sensor Scaled Hammer Action with Ebony and Ivory Keys
- 250 Tones with Split / Layer capability
- 180 Rhythms with Auto Accompaniment
- 128 note polyphony
- 17 Track Recorder
- Stereo Digital Audio Recording to USB storage
- Duet Mode
- Class Compliant USB MIDI
- Standard MIDI I/O
- 1/4" Audio Inputs and Outputs
- 2 1/4" headphone outputs
- Optional CS67 stand and SP33 Pedals

### PX-760

- Multi-dimensional AiR Sound Source
  - New 4 Layer Stereo Grand Piano Samples
  - Hammer Response
  - Damper Simulation
  - Concert Play with 10 preset songs
- Tri-Sensor Scaled Hammer Action with Ebony and Ivory Keys and key cover
- Includes matching stand with 3 pedals
- 18 New, enhanced Tones with Split / Layer capability
- 128 note polyphony
- 1 Song, 2 Track Recorder
- Duet Mode
- Class Compliant USB MIDI
- 2 1/4" headphone outputs

### PX-780

- Multi-dimensional AiR Sound Source
  - New 4 Layer Stereo Grand Piano Samples
  - Hammer Response
  - Damper Simulation
- Tri-Sensor Scaled Hammer Action with Ebony and Ivory Keys
- 250 Tones with Split / Layer capability
- 180 Rhythms with Auto Accompaniment
- 128 note polyphony
- 17 Track Recorder
- Stereo Digital Audio Recording to USB Storage
- Class Compliant USB MIDI
- Standard MIDI I/O
- 1/4" Audio Inputs and Outputs
- 2 1/4" headphone outputs
- Includes matching stand with 3 pedals

### PX-860

- Advanced Multi-dimensional AiR Sound Source
  - New 4 Layer Stereo Grand Piano Samples
  - Hammer Response
  - Damper Simulation
  - Sympathetic Resonance
  - Release Velocity
  - Cabinet Simulation
  - Concert Play with 10 preset songs
  - Open, Closed, Half and Removed Lid
- Tri-Sensor Scaled Hammer Action with Ebony and Ivory Keys and key cover
- 20W x 20W speaker system with opening cabinet
- Includes matching stand with 3 pedals
- 18 New, enhanced Tones with Split / Layer capability
- 256 note polyphony
- 2 Track Recorder
- Stereo Digital Audio Recording to USB storage
- Duet Mode
- Class Compliant USB MIDI
- 1/4" Stereo Audio Options
- 2 1/4" headphone outputs

### PX-5S

- Multi-dimensional AiR Sound Source
  - 340 preset / 220 user tones
  - 88-key, Tri-sensor Scaled Hammer-Action II
  - 256 note polyphony
  - 4 simultaneous programmable arpeggiators
  - 8 track phrase sequencer
  - USB storage / file & audio recording
  - Reverb, chorus, delay, string & damper resonance system effects
  - Insert effects: 4 simultaneous / equalizer, compressor, limiter, enhancer, early reflection, phaser, chorus, flanger, tremolo, auto pan, rotary, drive rotary, LFO & auto wah, distortion (w/ amp simulator), pitch shifter, multi-chorus, ring mod, delay, piano effects
  - 4 band master effects EQ & compressor
  - USB & MIDI I/O
  - 1/4" L&R input & output, 1/8" audio input terminals
  - 24.5 lbs

# A GRAND REVOLUTION IN SOUND TECHNOLOGY

The revolution is here, the next generation Privia digital pianos have arrived. Boasting more than three times the waveform size as previous models and a redesigned tri-sensor scaled hammer action with ebony and ivory finished keys, the sound and feel of the new Privia models is beyond evolutionary. The grand piano sounds in Privia are superbly reproduced thanks to the new AiR (Acoustic Intelligent & Resonant) sound source which provides sensational dynamics, damper resonance and even compensates for the speed at which the hammers strike the strings at different velocities and key ranges. The new Privia line has various models available in a variety of colors and features. Some models have up to 256 notes of polyphony, sympathetic string resonance, cabinet simulation and provide audio recording directly to a USB thumb drive. It is time to join the revolution and play the finest digital pianos available, Privia.

## PX-860

The flagship of the new Privia line, the PX-860 has the advanced AiR sound set providing an additional level of realism including grand piano lid simulation, sympathetic resonance and Concert Play. The PX-860 has a dual 20W speaker system and a cabinet that opens providing a rich concert sound. Available in black, white or walnut.

## PX-160

Sleek, stylish and lightweight the PX-160 has the new grand piano sounds from the AiR sound source to take your performance to another level. The PX-160 features 18 new, enhanced tones with split and layer, a 2 track recorder, dual 8W speakers, USB MIDI, 1/4" L&R outputs and optional matching stand and 3 pedals. Available in black or champagne gold.

## PX-350

The PX-350 has a generous sound set in the Privia line with 250 built-in tones and full accompaniment capabilities with 180 built-in rhythms. The PX-350 also features USB storage allowing you to connect standard USB thumb drives to access MIDI files and create your own stereo audio recordings. Optional matching stand and 3 pedals. Available in black or white.

## PX-5S

The PX-5S Privia Pro Digital Stage Piano provides a truly remarkable feel, sound quality and portability redefining the stage piano. Features like tone editing, insert effects, MIDI controller capabilities, an 88 Key, Tri-Sensor Scaled Hammer Action II Keyboard and weighing only 24 lbs. All of the features in the PX-5S create a powerful and versatile stage piano.

## PX-760

The PX-760 has the grand piano sounds you need packaged in a sturdy and stylish cabinet. The PX-760 features 18 new, enhanced tones with split and layer, Concert Play with 10 built-in songs, a 2 track recorder, dual 8W speakers, USB MIDI, a sliding key cover and 3 pedals for realistic piano-style playing. Available in black, white or walnut.

## PX-780

The PX-780 offers grand piano sounds and ensemble features in an elegant cabinet that will compliment any home. The PX-780 features 250 Built-in tones with split and layer, dual 20W speakers, USB MIDI and 3 pedals. It also includes the AiR sound source producing seamless dynamics for a remarkably expressive and powerful performance.
