

WK-7600/CTK-7200

For Songwriters and Music Performers

The 76 key WK-7600 and the 61 key CTK-7200 are filled with music making and music production tools for the ambitious musician. The 17 track sequencer and stereo audio recording allow moments of inspiration to be captured easily. Featuring 820 built-in sounds, hundreds of customizable rhythms and a drawbar organ mode, these portable keyboards are filled with musical encouragement.

WK-7600

CTK-7200

Song and Pattern Sequencing

The WK-7600 and CTK-7200 feature a 17 track song sequencer that acts as a multi-track recorder for real time recording of music. The pattern sequencer with Easy Edit allows editing of up to eight tracks to create your own accompaniment. Your compositions and live performances can easily be recorded as audio, directly to an SD card.
